What do you need?

MATERIALS

- [ ] Felt (red, white, yellow)
- [ ] Paper or plastic for the template

TOOLS

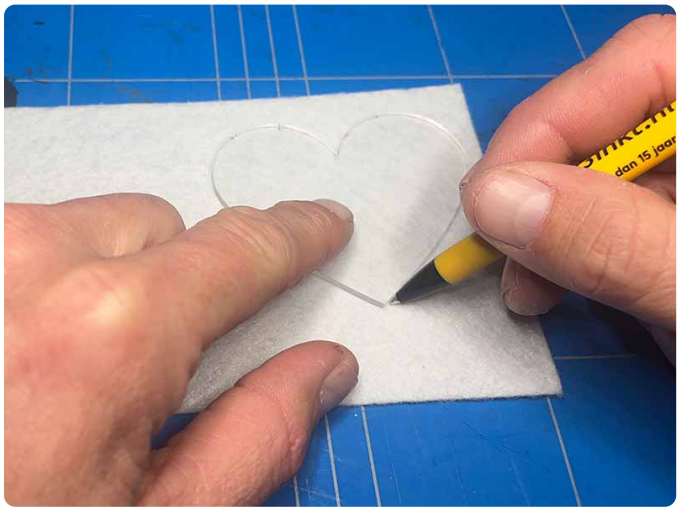
- [ ] Scissors
- [ ] Pen
- [ ] Sewing machine
- [ ] Printer / laser cutter

Steps

1 Cut the template

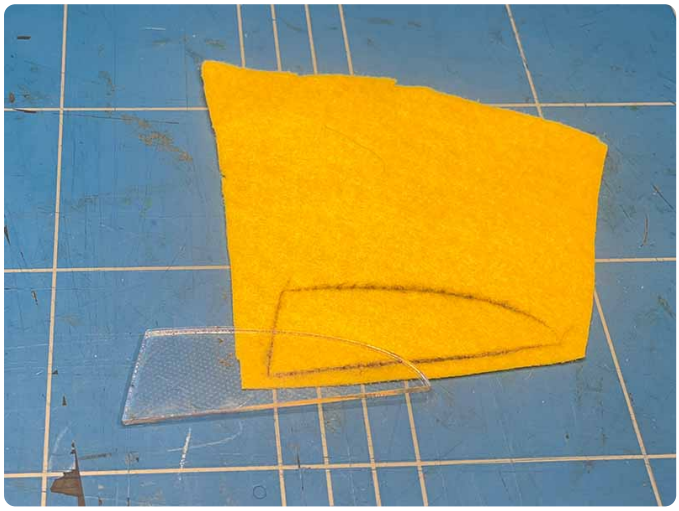
GOOD TO KNOW
If you have a laser cutter you can cut the template from plastic; it will then be reusable more often.

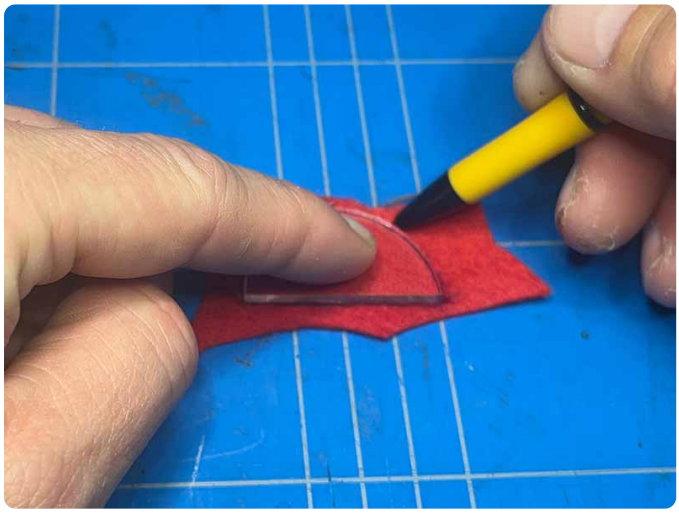
- Print the template.
- Cut out the template.



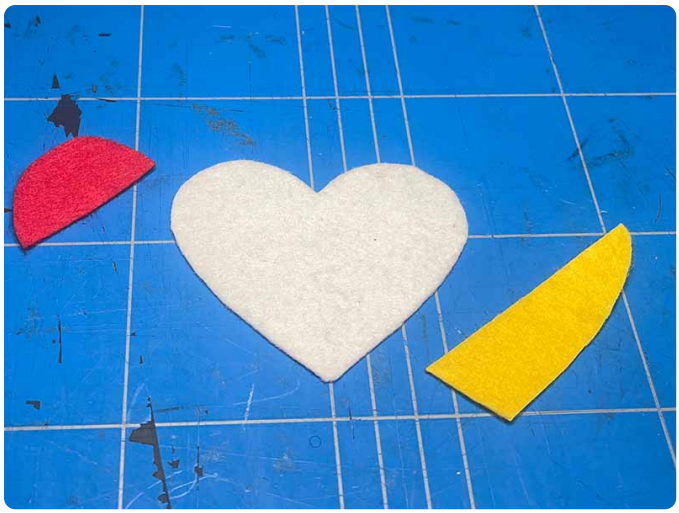
2 Trace

- Trace the entire heart onto white felt.
- Trace the lower part onto yellow felt.
- Trace the upper part onto red felt.





2 **Trace** — *continued*



3 Cut out

- Cut out the felt pieces.

4 Sewing

- Use red thread to sew the red part in place.
- Use yellow thread to sew the yellow part in place.

5 Finished

- Take your patch home and sew it onto your carnival jacket.
