

# Frog emblem

---

duration: 10 - 20 minutes  
age: from 7 years

Make an Oeteldonk frog emblem.

---

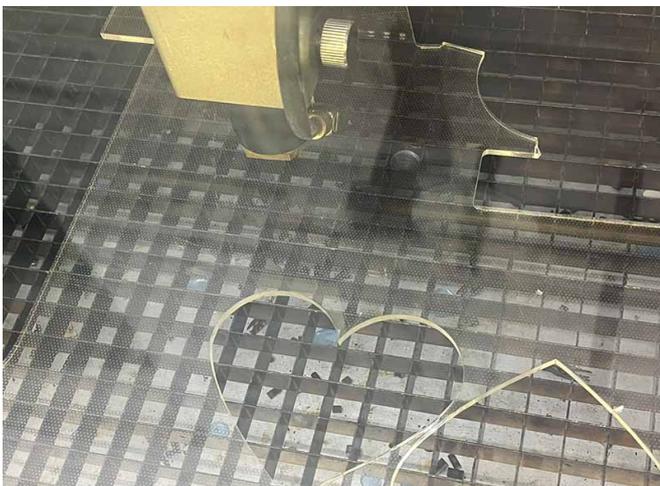

## undefined

### tools

- Scissors
- Pen
- Sewing machine
- Hole punch
- Mallets

### materials

- Felt (green and black)

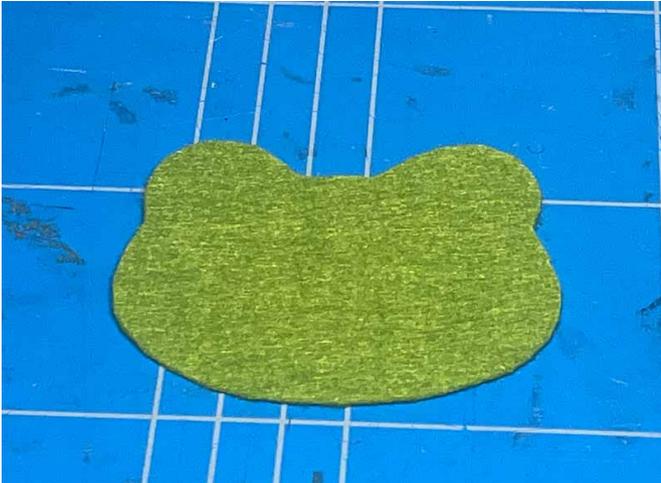

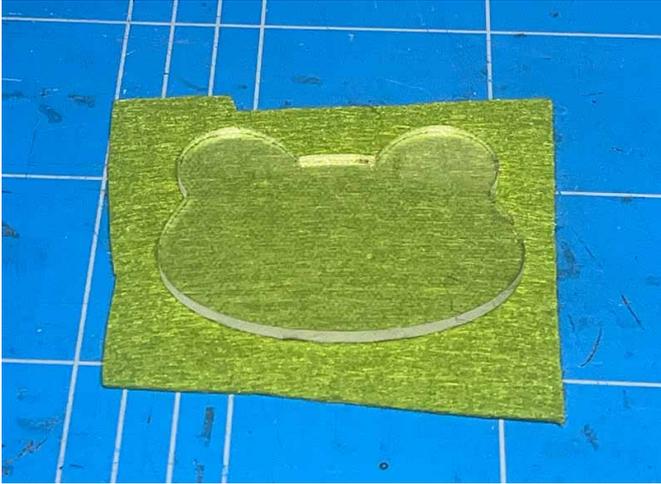

## 1 Trace and cut template

---

● If you have a laser cutter you can cut the template from plastic; it will then be reusable more often.

---

- Print the template.
- Cut out the template.

## 2 Trace and cut felt

- Trace the template onto green felt.
- Cut out the felt.

### 3 Sew the mouth

- Use the sewing machine to make the mouth.
- Use a wide zig-zag stitch with length 0 for the corners of the mouth.

### 4 Punch eyes

- Use the hole punch to punch out the eyes.

### 5 Sew eyes

- Sew the eyes into place.

## 6 Finished

- Your frog emblem is ready!
