What do you need?

MATERIALS

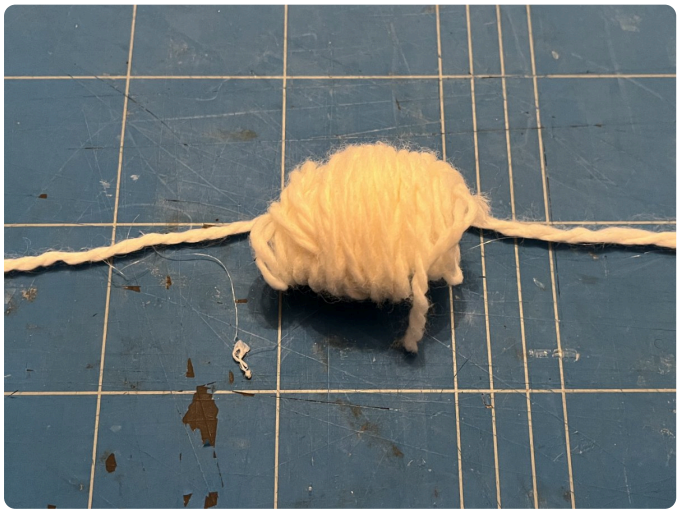

- [ ] White knitting yarn
- [ ] Brown/grey knitting yarn
- [ ] Black knitting yarn
- [ ] 3 small beads / googly eyes

TOOLS

- [ ] Fabric scissors
- [ ] Glue gun

Steps

1 Wind up the white yarn

- Use one (or two fingers if you're a kid) to wind up 80 windings of white yarn.
- Place the wound up yarn on a separate piece of yarn.
- Tie a knot around the windings, as tightly as you can.

1 Wind up the white yarn — *continued*

2 Wind up the 2 other colors of yarn

- Take both other colors and wind em around 3 fingers together. You need 80 windings.
- Tie them together with a separate piece of yarn again.

2 Wind up the 2 other colors of yarn — c...

3 Tying the yarn balls together

- place the white ball on top of the bigger colored ball

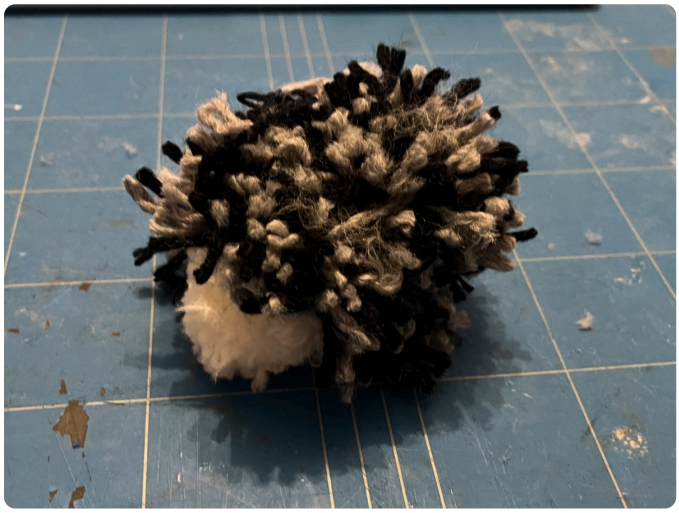

4 Cut and trim the white yarn

- Cut open the loops of the white yarn.
- Trim the yarn till it looks like a nice slightly pointed head.

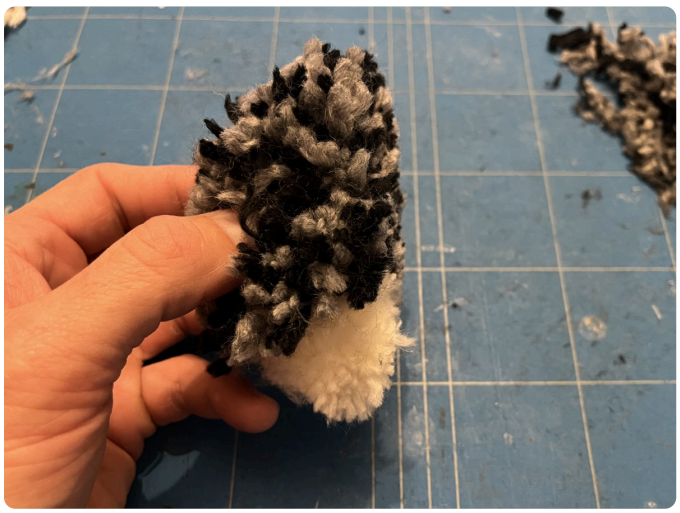

4 Cut and trim the white yarn — *continued*

5 Cut and trim the other yarn

- Cut open the other yarn loops
- Trim the yarn to form a nice even body.

6 Cut a flat base

- Cut off one side to create a nice flat base.

7 make the legs

- Double up some black yarn a couple of times.
- Tie a knot in the doubled up part.
- Fold at the knot.
- Tightly wrap the remaining yarn around your strings, starting at the knot side.
- Tie it off when you have enough length to function as a leg.
- Trim off the excess yarn.
- Repeat for a second leg.

7 make the legs — *continued*

8 Glue the legs

- Use some hotglue to glue the legs to the underside.

9 Add eyes and nose

- Glue or sew the eyes and nose in place.

10 Done

- You're done! Take yor hedgehog out for a walk.
